Panther Silent Hand Pallet Truck

Every supermarket, garden centre and DIY store want to provide a quiet and peaceful shopping experience. The specially designed **Panther Silent** with its noiseless wheels is tailor-made for every customer area. The wheels are gentle to fine floor and flagstone layer, saving maintenance costs due to wear and damage to flooring.

Panther Silent

- **Model Panther Silent, Capacity 2000 Kg**
- **Available in widths 520 + 680mm**
- **Panther Silent is a strong and reliable pallet truck, ensuring easy handling of many different pallets**
- **Optimum manoeuvrability and space utilisation through twin fork wheels, very short length behind the forks, low truck weight and tight turning angle**
- **Long operating life and low maintenance costs through strong construction and tests with up to 46,000 lifts**
- **Silent transport through special soft rubber wheels (both steering and fork wheels), minimum friction of all moveable parts and close tolerances**
- **Stainless and explosion proof pallet trucks also available**

Ergonomic handle ensures the user a relaxed hold.

Panther Silent is supplied with Permanent Quick Lift

Features

With twin fork wheels it is very easy to change direction

Special gentle rubber wheels mean minimum wear and no damage to floor, such as flagstones
