

HMX

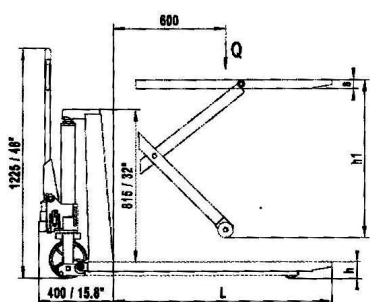

High-Lift Pallet Truck

- Our HMX high-lift pallet truck is also the ideal work positioner, designed to reduce fatigue and increase operator safety
- Lifting a pallet to 800 mm, these trucks save repetitive bending and stretching to load and unload pallets by hand.
- Simple Structure and good-looking appearance
- One cylinder system guarantees no risk of oil leakage and no risk of dropping to the second piston suddenly
- Newly designed, comfortable, ergonomic handle
- Quick lift function doubles lifting speed for loads weighing 550lbs or less
- Conforms to CE safety standard
- Conforms to EN1757-4

HMX

Model		HMX540	HMX680
