

RP Compact Hand Pallet Truck

RP Compact

Ergonomic handle ensures the user a relaxed hold.

- Model RP Compact, Capacities 1600, 2500 + 3000kg
- Available in widths 450, 520 + 680mm
- RP Compact is a strong and reliable pallet truck, ensuring easy handling of many different pallets
- Optimum manoeuvrability and space utilisation through very short length behind the forks, low truck weight and tight turning angle
- Long operating life and low maintenance costs through strong construction and tests with up to 46,000 lifts
- Silent transport through minimum friction of all moveable parts and close tolerances
- Stainless and explosion proof pallet trucks also available

RP Compact is supplied with Permanent Quick Lift
