

CL10 / CL12 Medium Duty Stacker

The CL10 and CL12 stackers are medium duty machines, intended for more arduous applications.

- Capacity 1000 or 1200 Kg.
- Lift heights from 1600 to 3200 mm.
- Duplex mast configuration allows good vision through the mast uprights.
- Built-in battery charger means that the truck can be charged from any convenient main socket.
- Ergonomic drive controls.
- Medium duty battery for 3 to 4 hours continuous work even when negotiating inclines.
- Smooth stepless drive controls.
- Trucks carry CE mark and comply with all current safety legislation.
- Comprehensive warranty and superb after sales service provided.
