

## CM12 Heavy Duty Stacker

The CM12 is a heavy duty compact stacker, intended for more arduous applications and higher lift heights.

- Capacity 1200 Kg.
- Lift heights from 2400 to 3600 mm.
- Duplex mast configuration allows good sight through the mast uprights.
- Built-in battery charger means that the truck can be charged from any convenient 3-pin socket.
- Ergonomic drive controls.
- Medium duty battery for 6 to 7 hours continuous work even when negotiating inclines
- Smooth stepless drive controls.
- Trucks carry CE mark and comply with all current safety legislation.
- Comprehensive warranty and superb after sales service provided.
