ITE - Mini Lifter

The ITE100 & ITE200 Mini-Lifters are designed for ultimate flexibility and are able to carry out a huge range of functions in production, warehousing and office environments

The standard truck is equipped with forks for lifting palletted loads but can be fitted with a large range of attachments

- Capacities of 100 or 200 Kg
- Lift heights of 1500, 2000 or 2300 mm
- Simple controls all mounted within easy reach of the operator
- Attachments are easily and quickly changed with simple tools
- Fully floating castors allow for operation in very tight areas
- The built in battery charger allows the truck to be charged from any convenient 13 amp socket
- Option of front swivel wheels
- ITE-INOX—STAINLESS STEEL VERSION AVAILABLE
