

RHM Manual Stacker

Ergonomic handle ensures the user a relaxed hold.

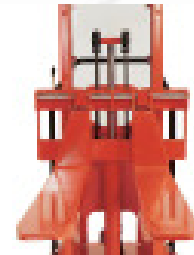

- Model RHM, Capacity 1000Kg
- Available in lift heights 920mm + 1650mm
- The RHM offers high flexibility and efficiency. With one truck goods can be lifted, transported and handled in many different ways
- The design puts focus on the safety and ergonomic working conditions of the user - RHM can be adjusted to the individual user
- Optimum utilisation of the space - RHM has a compact construction and is very manoeuvrable
- Optimum safety for the user through central location of all control buttons on the handle, transparent and impact-resistant safety screen on the mast and location of parking brake
- Strong construction ensures a long operating life and low maintenance costs
- Also available with electric lifting (REM)
